THE PANTHER

presented by

THE 1968-1969
ANNUAL STAFF

of
Seymour
High School

The 1969 Panther Staff presents to you the 1969 Panther, "Our American Heritage." It is a volume of laughter and tears, work and play, victory and defeat. "Our American Heritage is Friday night football games, the Jr.-Sr. Banquet, Sweethearts and Beaus, geometry homework, the band playing the Alma Mater, and Seniors receiving diplomas. The Panther Staff gives you - OUR AMERICAN HERITAGE.

Debrah Beck

Administration

"Ours is the only country deliberately
founded on a good idea."

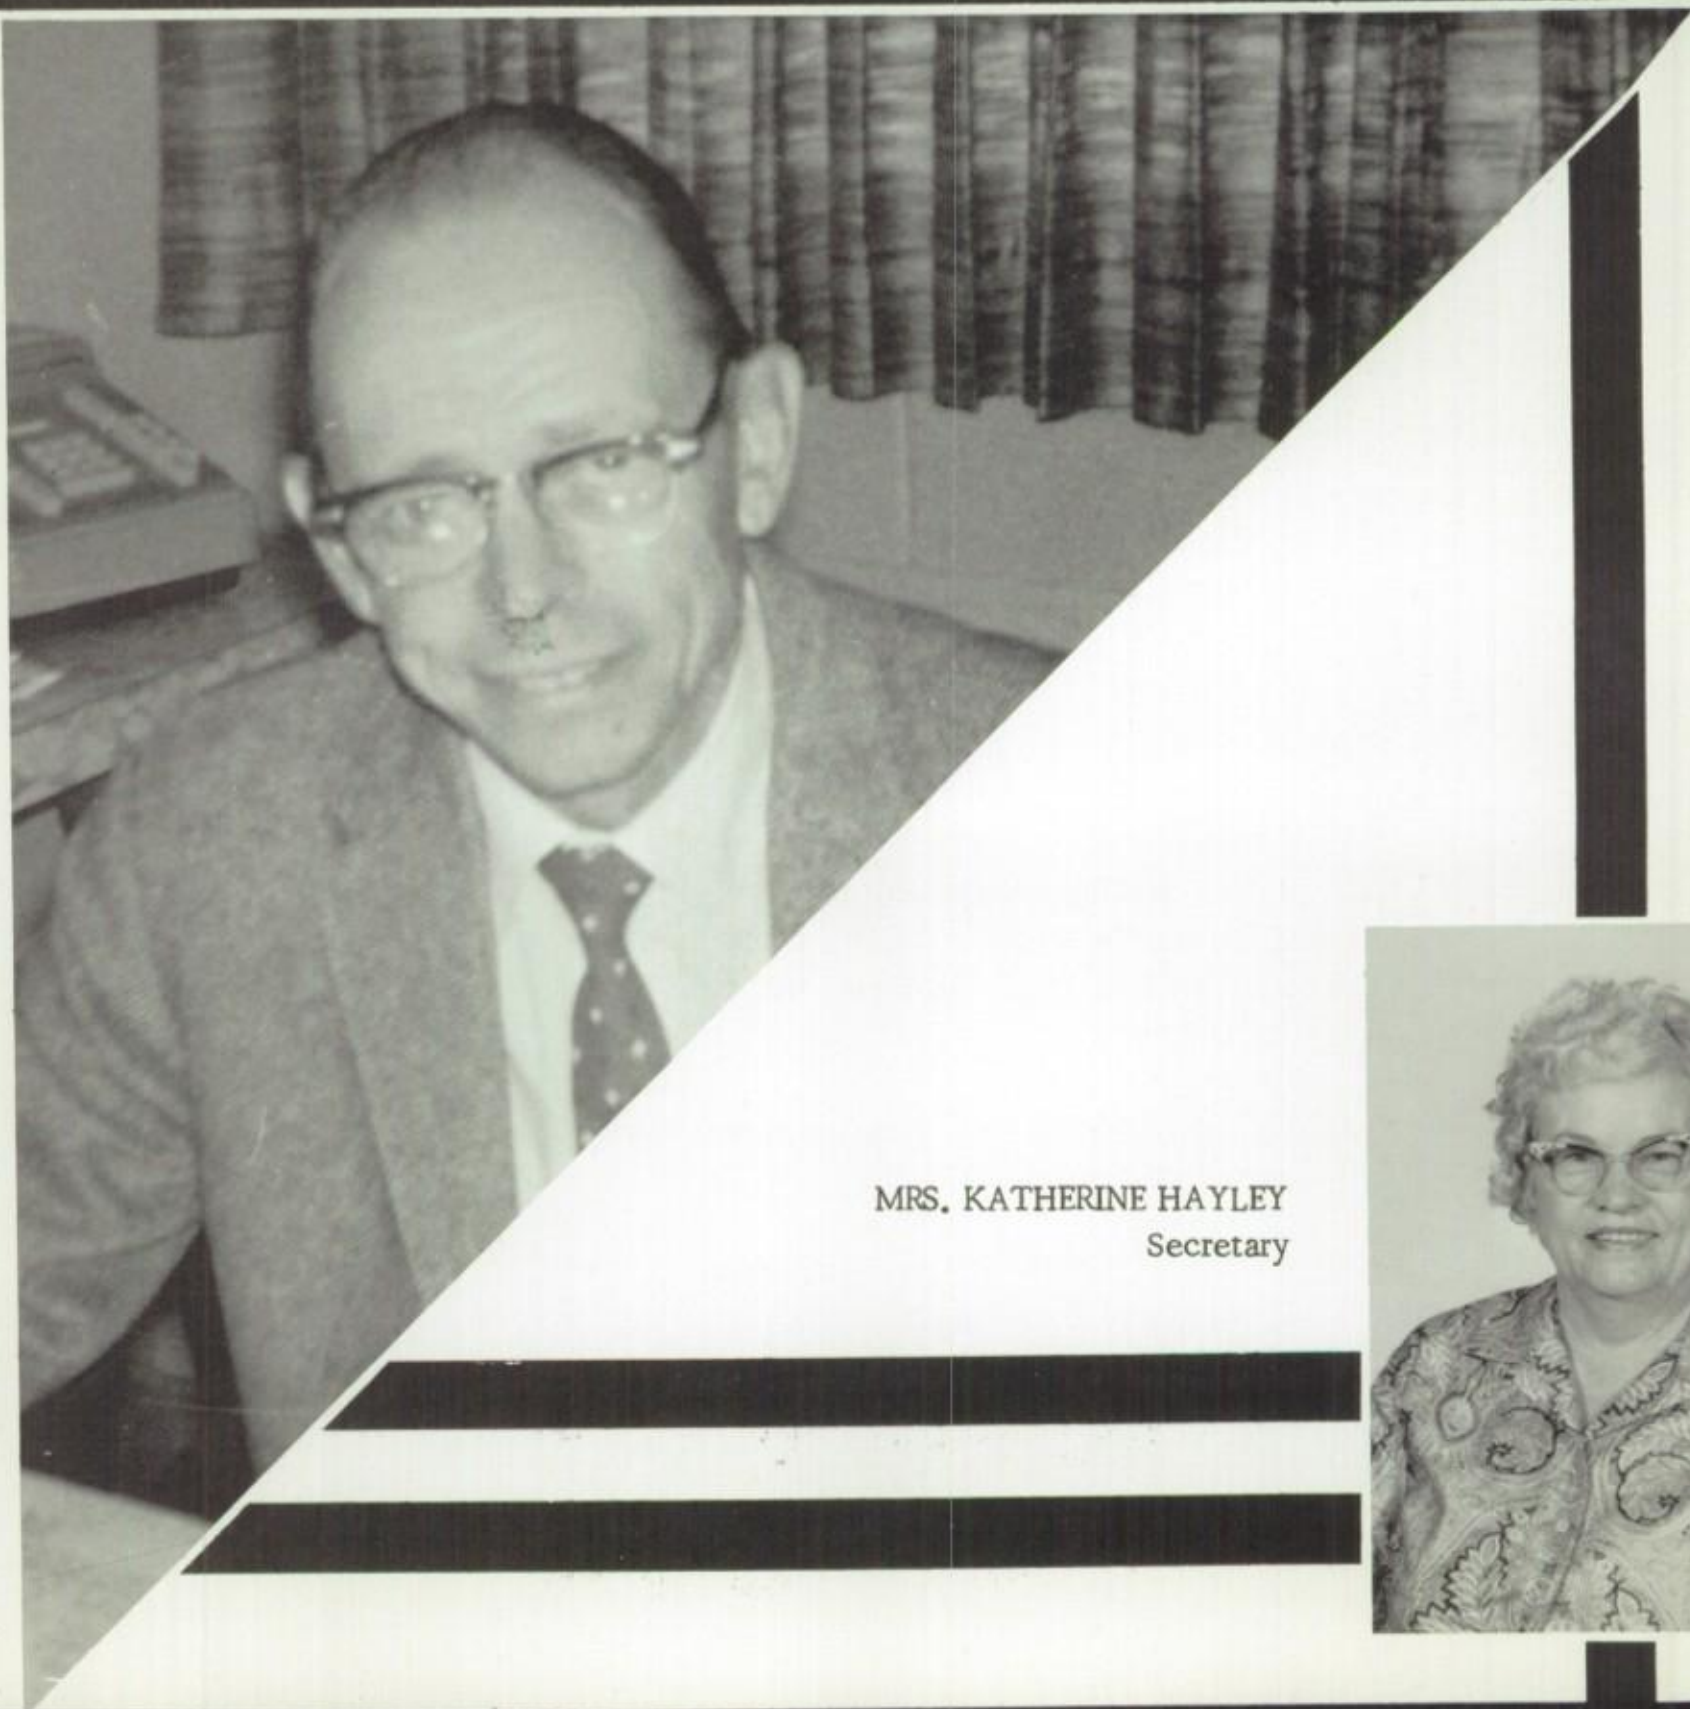

John Gunther

Without regard to the size of the task confronting us let us get on with it as energetically, enthusiastically, and effectively as we possibly can. Quality and quantity of performance speaks for itself. It is the only acceptable way an individual can mold his own future.

To the Students:

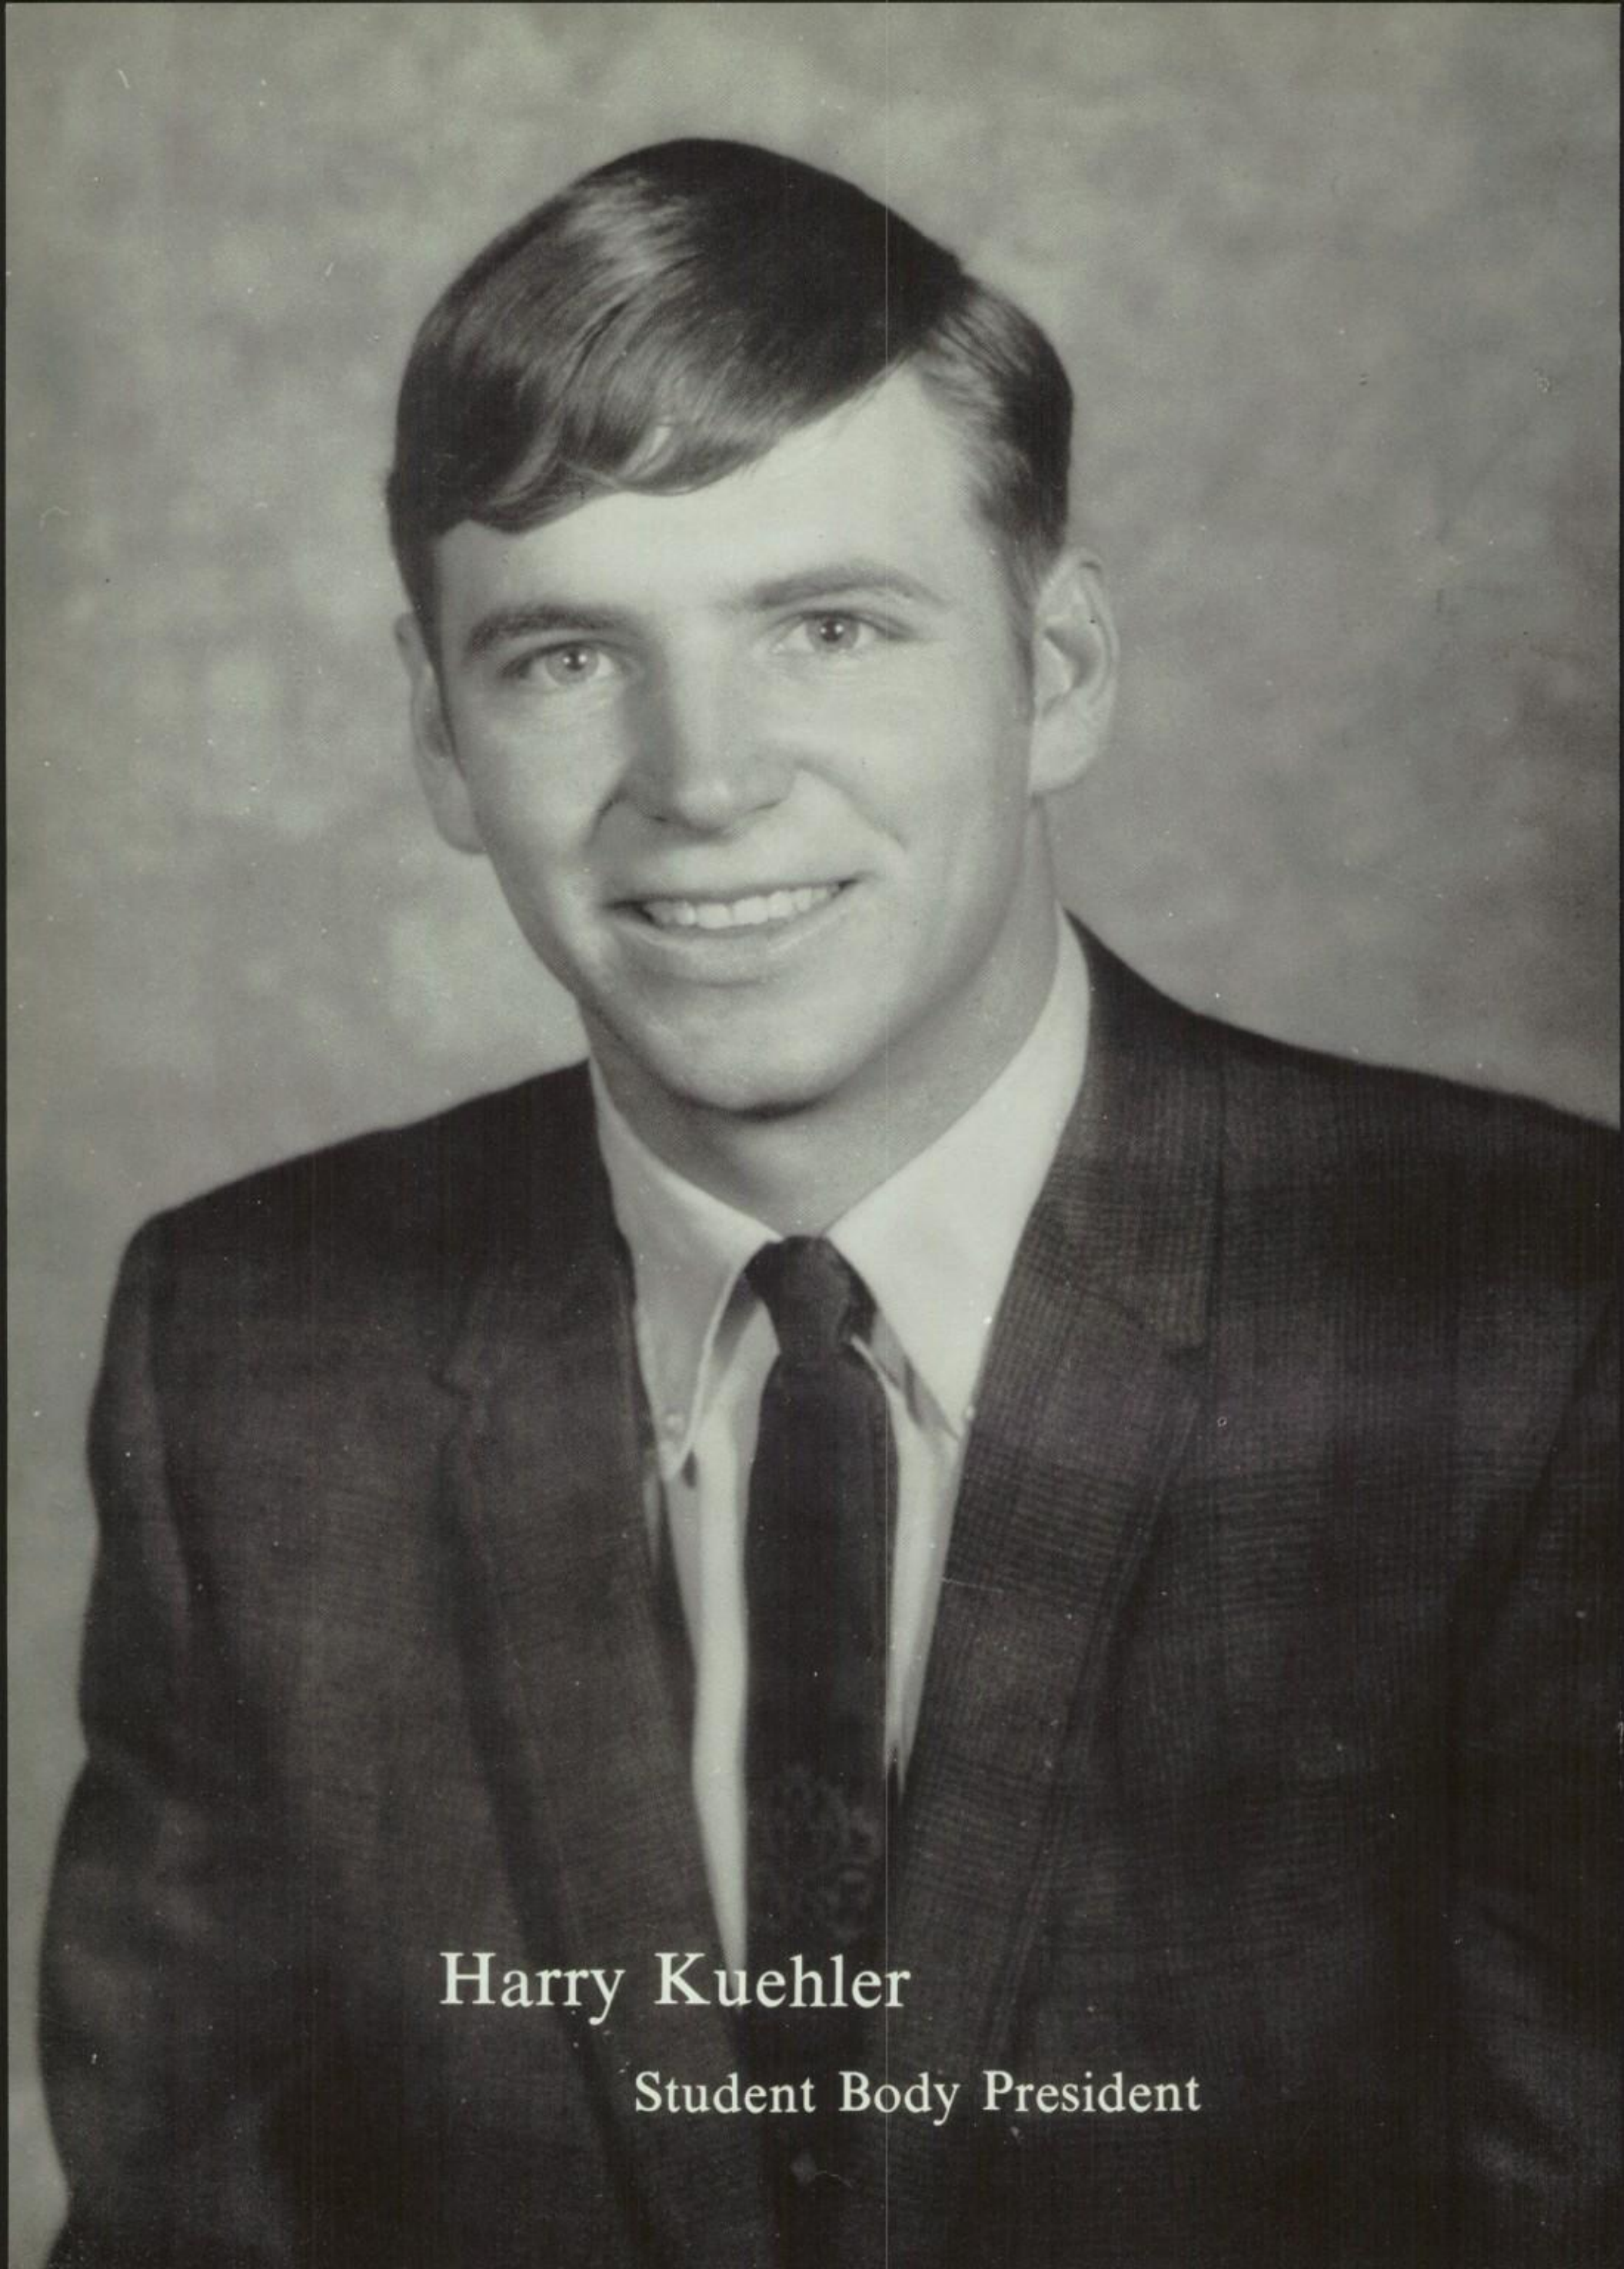

It is a good feeling for me to have had your fellowship and friendship during the school year 1968-1969. Your achievements have been great. I am sure you will be greater because of what you have done.

It is my wish that in the years to come, you may have the fulfillment of your ambitions.

Faithfully yours,

A black and white photograph of Independence Hall in Philadelphia. The building is a large, multi-story structure with a prominent clock tower and a dome. In the foreground, there is a statue of a man on a pedestal, with the name "BARRY" inscribed on it. Several people are walking in the plaza in front of the building. The sky is clear, and there are trees on the left side of the frame.

"Before we put down our bets on a revolutionary movement, we have a right to ask that it, like ours, have the broad goals of freedom and human welfare clearly before it . . ."

**What's so great
about
graduating?**

The future.

The future holds exciting and challenging opportunities. There will be many opportunities to contribute to technological development, and to help solve area and community problems in a way that will contribute to real community progress. The people of Texas Electric Service Company, as citizens of many cities and towns, are involved and committed to partnership with the communities served in building for a better future.
